

MD. Samin Yeaser

Web & Flutter developer

To be able to work with an encouraging and stable company that will assist me in developing improving and obtaining the necessary skills in order to become the best engineer possible.

Education

Computer Science and Engineering — [BRAC University](#) Dhaka, Bangladesh

From April 2017 to September 2021

Responsive Web design and web Development — [CodersTrust Bangladesh](#) Dhaka, Bangladesh

From February 2019 to July 2019

Learning how to be a professional web developer. It was a 6 month training

Higher Secondary Certificate — [Chittagong Cantonment Public College](#) Chittagong, Bangladesh

From July 2014 to May 2016

Work experience

Flutter Developer — [Hishabee Technologies](#) Green-road, Dhaka

Since September 2021

Hishabee Business Manager is the most reliable and easy-to-use Business Solution on your mobile. All-in-one Solution, made in Bangladesh, for Bangladesh.

Here I have been working as a flutter developer, developing IOS, web, and desktop versions of this application. Also, I am involved in other ongoing projects of Hishabee Technologies.

Part time Flutter developer — [Black Pearl Media](#) NewYork, USA

Since July 2022

Working as a part-time flutter developer. Building the E-commerce site of the mother company.

The application is for foodeva. Where they sell herbal products and medicine.

Web Application Developer — [F2P](#) Dhaka, Bangladesh

From March 2021 to July 2022

F2P is a dynamic consultancy firm catering to every startup's needs. Building a business from the scratch, taking care of digital marketing, making a dream website, creating promotional content- you name your requirement and we will provide. Here, I am working as a Web Application Developer. We build custom Web Applications or portfolios for our clients.

It is contract-based work, if there is a project then I usually do it for the company.

Web Developer — [Fiverr](#) Online market

Since May 2019

Here I work as a freelance web developer and have done many online projects

Senior Executive Member — [BRAC University Robotics Club](#) Dhaka, Bangladesh

From January 2018 to December 2019

Most famous robotics club of Bangladesh. It is a renowned and popular university club of your country. Hold the top position of all the rover and robot completions all over the world
